I sent this out as a flodd bull to see what if any interest it might
provoke but in case you would have missed it here is a personal copy.
It might while away the periods of idleness for which you get paid
- and DEG might like a copy .

I should be interested to hear if anyone has any more in the same vein or
possibly alternative mind games.

Reference the one above, I would be interested to know which of the 25 q's
listed is your starting point - ie which one gives you the clue.

Have fun.

Good luck - 73's de Peter GOFIM @ 6B7HJP
